The Commission on Higher Education (CHED) in its Memorandum Order 21, series of 2015 issued on May 26, 2015, again extended the validity period of SPU Manila’s full autonomous status and the Center of Excellence (COE) recognition granted to the Music Program of the College of Music and the Performing Arts until December 31, 2015.

In the said CMO, CHED cited “in order for the commission to complete the process of evaluation of applications for autonomous and deregulated status of private higher education institutions (HEIs)...” as one of the reasons for the extension. This is the third time the Commission has extended the autonomy status of SPU Manila and other selected HEIs, and the second extension of the COE recognition given to the Music Program.

Following the long tradition of integrity and untarnished reputation, commitment to excellence, and sustainability and viability of operation, SPU Manila, then St. Paul College of Manila, is one of the first universities in the Philippines to be included in the roster of Philippine schools given Full Autonomous Status by the CHED in October 2001.

SPU Manila, as an autonomous institution, enjoys the following privileges and benefits: exemption from the issuance of Special Order (SO); freedom from
monitoring and evaluation activities of the CHED; permission to determine and prescribe curricular programs to achieve global competence, offer a new course or program in the undergraduate or graduate levels without securing permit or authority from CHED, offer extension classes and distance education courses or programs which will expand access to higher education, establish affiliation with recognized foreign higher education institutions in pursuit of international standards of education; and authority to grant *Honoris Causa* to those deserving, per pertinent provisions of existing CHED issuance on conferment of honorary degrees, among others.

**PAULINIAN GLOBAL FOUNDATION HOLDS BENEFIT FOR VIGIL HOUSE**

The Paulinian Global Foundation Inc. (PGFI) held a benefit dinner dance called “A Night to Remember” at 6:00 PM, Saturday, 23 May 2015, in the Sheraton Hotel, Pentagon City, Arlington, Virginia.

The dinner dance was a fundraiser for the elderly St. Paul nuns in the Vigil House in Taytay, Rizal. Tickets were at $70 per person. There was a special group rate in the Sheraton Pentagon City for those who were travelling to the Arlington area to attend the event. Paulinians came from New York and even Canada to join the activity.

The PGFI had a raffle, prizes for which included two round trip tickets to Asia and cash prizes of $1,000 and $800. Raffle winners were: Grand prize—two RT tickets from All Nippon Airways to Asia from the continental US: Robert Karaan, son of our very own Joy Karaan. Second prize—$1,000: Dr. Dominador Genio from Kona, Hawaii. Ticket sold by Sol Balda-Ilagan. Dr. Genio graciously donated his winnings back to the St. Paul Sisters. Third prize—$800: Pam Ching from Chino Hills, CA. Ticket was sold by Liz Navarro, SPCQC ’79.

The Paulinians and their guests enjoyed a sumptuous dinner, a program that ended with the nostalgic singing of the Paulinian Hymn, and all night dancing. The following photos will show how our alumni anywhere keep the Paulinian spirit alive and well.
