Once again, the BS Hotel and Restaurant Management participated in the Manila Food and Beverage Expo (MAFBEX). This year, the MAFBEX was held on 22-26 July 2015 in the SMX Convention Center-MOA. The event was organized by De La Salle–College of St. Benilde.

Selected 3rd year HRM students participated in four categories and they won third place in two categories, as follows:

Cake Decoration: Kathleen Mallillin, Ilyzza Joy Reyes, Genina Delos Santos, and Brylle Bahia.
**Cooking Demonstration:** Patricia Magno

The students joined two other categories and they also did well and almost placed in the categories of Table Set-up with Napkin Folding and Pasta Live Competition.

**Table Set-up:** Cris Joseph Iglesias, Amelia Guittap, Monique Hernandez, Roselle Rodriguez, and Mark Tejada

**Pasta Live:** Ma. Carmela Joyce Licup, Mary Grace Cristobal, and Charlotte Mateo.

The MAFBEX competition has proven to be an effective venue for HRM students to further enhance their knowledge and skills in different hospitality management competencies and to develop their sportsmanship. The expo on the other hand was a good learning experience for the students as it showcased a complete range of food and beverage related products. This exhibition brought together leading companies that find this platform the best venue to publicize their products and
services and introduce their respective brand names to the attendees from the industry and the academe.

The HRM Students and the 4th year BS Entrepreneurship catering class also attended a seminar on Catering Management and Buffet Cost Control, which will be helpful in the organization of a Catering Event in September.

The Chair of HRM, Ms. Amelia S. Butial, and faculty members--Mr. Ramoncito Jose San and Ms. Kathleen Apilado--headed, coordinated, and coached the students in the different categories of this competition.

**Manila Schools Convened to Denounce Hazing**

On 1 August 2015, about 18,000 delegates from different schools in Manila gathered together to support the Manila Youth Welfare and Development Bureau’s 2nd Walk for Peace, a campaign against hazing and all other forms of violence in schools and communities.

Tag-lined “Hazing is Evil,” this year’s Walk for Peace was attended by not only students in the tertiary level but also students from the secondary level. They were invited to increase awareness about the fatal effects of hazing on students, their respective families and schools, and the community in general.
The event commenced at Liwasang Bonifacio and ended at the Quirino Grandstand with a ceremonial cleansing, which was made possible by more than 20 fire trucks from various districts in Manila.

St. Paul University Manila has been consistent in supporting this campaign. A total of 354 delegates (349 students and five employees) joined the event. The National Service Training Program (NSTP) students had the biggest delegation as this is a concrete activity to enhance the youth’s civic consciousness on various social issues besetting our society.

Below are the highlights of the said event:
