JOB BACK IN CIRCULATION

The *SPU Manila Inter-Office Bulletin* is back in circulation after a five month hiatus. The publication of the bulletin was stopped in favor of the SPU Manila official webpage, which was launched in November 2014. However, even to this date, posting on the webpage has not been completely smooth so it was decided to resume the bulletin in addition to the webpage.

STUDENT SERVICES UPDATE

SPU Manila Job Fair 2015

The Student Services Division held a Job fair on 13 March 2105 (9:00 A.M. to 4:00 P.M.) in the HRM Training Center and Founders' Hall.

After graduation, college students will be part of the workforce and will be starting their careers. It is good to plan and help them begin their life long profession by finding a suitable job after graduation. Recognizing this need, the Guidance Services, in coordination with JOBS180.com, conducted a Job Fair to assist our graduating students. The goal of this activity was to provide students a venue to seek job opportunities in various fields and professions. Graduating students were required to attend while the third year students were invited to join and inquire about possible internships.

Photos show the 222 graduating students who attended the job fair; some representatives of the 53 companies that joined the fair, who oriented the students about their companies; POEA representatives, who gave information about the latest job market abroad; and SSS and Philhealth representatives, who gave membership numbers to the incoming members of the workforce.

Two hundred twenty two graduating students attended the job fair. Passports or activity cards were given to the students to monitor their participation.

Fifty three companies joined the job fair. The company representatives accommodated our students and oriented them about their companies.

POEA representatives gave information about the latest job market abroad. SSS and Philhealth representatives gave membership numbers to the incoming workforce.

CHRISTIAN FORMATION RETROSPECT

THIRTY-ONE CONFIRMANDS ON LOVE DAY

Shared by Mary Alice Sucaldito and Czarina Abogado

On February 14, 2015, 31 confirmands received the Sacrament of Confirmation. Twenty six of them were Paulinians, five relatives of the students, and a security guard. Together with their families, they celebrated the Sacrament, which was administered by the Bishop Emeritus of Novaliches, Most Rev. Teodoro Bacani, DD, in the Chapel of the Crucified Christ.

After the series of preparation and formation, the 32 confirmands were ready to receive the Sacrament. The first part of the ceremony was the procession of the confirmands toward the altar and the offering of symbolic signs/symbols of themselves. Sr. Jesusa Taccad, SPC, formally presented the confirmands to the presiding bishop and to the community present.

Sr. Jesusa Taccad, SPC, formally presented the confirmands to the presiding bishop and to the community present.

In the rite of Confirmation, the confirmands made a renewal of baptismal promises. Then they were questioned by the bishop and they answered to profess their faith in the Almighty God. Next was the laying on of hands and the anointing with chrism.

The parents and godparents of the confirmands actively participated during the ceremony by their offering of gifts and prayer of commitment. The choir of the College of Music and the Performing Arts contributed a lot to the solemnity of the celebration of the Sacrament. The ceremony ended with the concluding rites and the prayer over the people.
