CHED CERTIFIES SPU MANILA AS DELIVERING HEI

As mentioned in an earlier *Inter-Office Bulletin*, the Commission on Higher Education (CHED) has certified SPU Manila as a Delivering Higher Education Institution during the K to 12 Transition Period.

SPU Manila is one of the 149 schools in the Philippines granted by CHED to be a DHEI. There are only 34 DHEIs in NCR.

In connection with CHED Memorandum Order NO.4 Series of 2016 (Guidelines for Graduate Education Delivery in the K to 12 Transition Period), the Commission has approved the second of three batches of participating institutions, particularly as delivering higher education institutions (DHEIs) of programs under the K to 12 Transition Program of the Commission. The programs will be delivered starting academic year 2016-2017.

In SPU Manila, the approved programs are listed in the poster on the right.

The poster features the SPU Manila logo at the top left. The main title is 'DELIVERING HIGHER EDUCATION INSTITUTION (DHEI)'. Below the title, it states 'in the K to 12 Transition Period for the following programs, as released under CHED Memorandum Order Nos. 8, 10, 16, and 23 series of 2016:'. A central box is labeled 'PROGRAMS OFFERED'. The programs are categorized into 'MASTERS DEGREE PROGRAMS' and 'DOCTOR OF PHILOSOPHY PROGRAMS'. The Masters Degree Programs include Business Administration (with majors in Hotel and Restaurant Management, Information Systems, and Organizational Development), Curriculum Design, Development & Supervision (with majors in English, Math, Science, and Social Science), and Entrepreneurship (with a Filipino MAPEH major). The Doctor of Philosophy Programs include Doctor of Business Administration, Education major in Educational Leadership and Management, Leadership and Governance in Health Care Organizations, and Nursing Education major in Leadership and Management.
