

## CHRISTMAS PARTIES MARK WEEK BEFORE CLOSING

The week before the holiday break, some school divisions held Christmas Parties.

The Academic Team got together in La Scala Residences and Café for their Christmas Party. The deans and chairs let their hair down during the games and the line dancing.

The offices directly under the President's Office and the President's Council had a party on 14 December in the Fleur-de-lis Café. There were games and a raffle, and even the Sisters participated in the merry-making.

The Institutional Christmas Party for the faculty and staff was held in the quadrangle on 26 December. The intermittent showers did not dampen the spirit of the attendees. This year, there was no Christmas presentation contest.

Instead, each division presented a Christmas dance number. Without the pressure of a competition, there was more fun and enjoyment during the party, which also had a number of exciting games and an exciting raffle.

Scheduled for this week are the CAS Christmas Get-Together on the 19<sup>th</sup> and the Institutional Mass and Program for the students and faculty on the 20<sup>th</sup>.

Also on tap is the traditional Christmas Visit of the St. Paul Manila Alumni Foundation Inc. (SPMAFI) to the Paulinians in the Correctional Institute for Women. The group visit is scheduled on the 20<sup>th</sup> of December.
