From the College of Music and the Performing Arts

Congratulations to Ms. Emilie Simon (HS 1970, BM 1974) for having been elected President of Quota International, Inc. In the photo on the left, she is in the lady in yellow with other Filipino delegates to the Quota International Convention held in Washington D.C. on 10-14 July 2018.

In 1919, five business women inspired to serve, founded Quota International as the first international women's service organization, one year before women in the United States won the right to vote.

Today, more than 5,000 Quota members, women, men, and youth, come together to help women and children overcome poverty, educational, and workforce challenges in 14 countries.

Though the projects and partnerships may have changed over the past 100 years, one thing remains the same, Quotarians continue to make a difference.

Congratulations to Christian Geo Molina for being one of the performers of the Manila Symphony Junior Orchestra, which joined the 12th Summa Cum laude International Youth Music Festival in Vienna, Austria on 10 July 2018.

The country's youth orchestra, MSJO, won the first place with outstanding success in the String Orchestra category.

Christian Geo Molina is one of the products of the MDS Music Scholar Foundation, a project of Deputy Speaker Eric D. Singson and a graduate of Bachelor of Music Education, major in Cello in the St. Paul University College of Music and Performing Arts.

He was also one of the Outstanding Paulinians of the Philippines in 2016-2017.
