NATIONAL HEROES DAY OBSERVED

National Heroes' Day is a national holiday of Philippines, celebrated to pay homage to the National Heroes of the country. Every year this day falls on the fourth Monday of August.

Initially National Heroes' Day was celebrated on 30th of November as it was the birthday of Andres Bonifacio, founder of the Katipunan. Later this day moves to the fourth Monday of August, to pay tribute to all other known or unknown men and women who sacrificed their lives for Philippine freedom.

Philippines achieved its identity due to the noble deeds made by numbers of people, known as National Heroes. People of Philippines celebrate this day with a great enthusiasm. This is a perfect day to remember the life and work of all these great people.

The National Heroes Committee recommended the following nine individuals to be recognized as national heroes on November 15, 1995:

- Jose Rizal.
- Andres Bonifacio.
- Emilio Aguinaldo.
- Apolinario Mabini.
- Marcelo H. del Pilar.
- Muhammad Dipatuan Kudarat.
- Juan Luna.
- Melchora Aquino.

DR. MIMI RAMOS, OB GYN SPECIALIST in Our Lady of Lourdes Hospital is a schoolmate who took medicine because of her desire to serve. After her obtaining the Doctor of medicine degree from the University of Santo Tomas, she completed her residency program at Lourdes Hospital. In gratitude, and being comfortable, she started her practice and continued her practice there up to the present time.

Her HS class is truly proud of her! Her desire to treat more patients and also serve those who are financially challenged, keeps her going.

Unassuming, simple and generous like the full blooded PAULINIAN she is. Dr. Mimi aspires to live the PAULINIAN MOTTO: CARITAS CHRISTI URGET NOS!
