Paulinian Faculty Formation Sessions

Contributed by Dr. Ma. Encarnacion Dychangco

The Academic Services held two faculty formation sessions in February, both addressing professional development.

The first training, which is actually the 5th PFFP, was on Rubric Making. The goals were to review the basic principles on creating rubrics and to craft an evaluation framework which is outcomes-based yet generic enough to act as minimum indicators for all rubrics.

The training was conducted by two faculty members from the General Education program who attended off-campus training on assessment and evaluation: Ms. Gertrude Montenegro and Mr. Lamer Morales, shown in the photo left after receiving their certificates of thanks. The last part of the program was a workshop on rubric creation wherein the team decided on a minimum set of indicators and performance behaviors which all rubrics must have.

The second training session was on Google Education. Mr. Steven Sutanro, Google certified trainer from Jakarta Indonesia, gave the seminar-workshop on the Basics of Google Education and how to improve online learning using the tools in Google Ed. The session was held on 23 February 2019 in the Arts Laboratory.

Graduate Students visit Heritage Center of SPC Philippine Province

Contributed by Dr. Ma. Encarnacion Dychangco

The graduate students from the PhD Nursing Education and Doctor in Musical Arts programs, together with selected academic managers, went on a tour of the Heritage Center of the Sisters of St. Paul of Chartres Philippine Province. This activity is one of the blended sessions of the subject Paulinian Education, Philosophy, and Ethics.

The tour allowed the graduate students to appreciate the culture and identity of Paulinian Education as taught to the Sisters by their founder, Fr. Louis Chauvet.
