LOOKING BACK...

CAREER FAIR 2019

24 May 2019

Founders' Hall (1:00–5:00 P.M.)

Life after college graduation can be daunting; graduates are pressured to begin their career in their chosen field for various reasons. To assist them with this predicament, the Guidance Services Unit conducted the Annual Career Fair. This is a half day activity for the graduating students. Its aim is to give them the chance to select the jobs suited to their qualifications and provide them with job opportunities. The activity also endeavors to give an enjoyable and rewarding experience for the participating companies and organizations. The unit also invited government agencies, such as the Social Security System and Philhealth, to provide services for our students and employees.

There were 90 students who attended and 23 companies that participated in the Career Fair.

Representatives from Philhealth and SSS giving services to our students

The activity garnered an excellent rating from the students and a satisfactory rating from the company representatives

"BEYOND REVIEWING: ORIENTATION FOR LICENSURE EXAMINEES"

25 May 2019

Room 230 (11:00 A.M.-12:30 P.M.)

This growth session aims to help the graduating students to mentally prepare for and dedicate themselves to taking their board exams. This growth session also aims to give them a quick guide on how to start the application process, to show them the importance of early planning, and to teach them some relaxation techniques to help them focus for their exam. An activity is likewise held to help them visualize their future with the fulfilling rewards of their hard work. The activity was facilitated by Ms. Cecilia Antonio and Mr. AJ Agojo, guidance counselors.

At the end of the session, students were expected to be more motivated to take the board exam. The activity attained an excellent rating from the participants.

Students had the chance to share and explain their art work to others during the visualization.

The discussions were about test taking tips and preparation.

There were 39 students from the BSN, BSA, BEED, and BSP programs who participated in the session,

These are some of the art works made by the students during the activity.

NEWS BRIEF
