## IN RESPONSE TO THE PANDEMIC

### TOURISM PROGRAM HOLDS WEBINAR

We may be in lockdown, but we will continue to move up.

The tourism and hospitality industry may be experiencing a turbulent voyage, but that did not stop our burning desire to stand up and soar high again. "Buckle up as we invite you all to a St. Paul University Manila webinar entitled: **Locked Down, Moving Up: A Tourism and Hospitality Webinar on Marketing and Transportation Management** on December 17, 2020 from 9:00 in the morning until 12:00 noon."

Experts from the industry talked about the current trends in Hospitality and Tourism Marketing and Transportation Management. Not only that, the Tourism Program also invited alumni practitioners to share their experiences to further inform the students on how the industry is adjusting to the effects of the pandemic.

Best of all, it was for free! Each participant received a Certificate of Participation from St. Paul University Manila's Career Development Academy.

Students were told to watch out for a fun-packed informative webinar brought to them by the College of Business and Management's Tourism and Hospitality Management students!

For inquiries, students were informed to feel free to send the organizers a message through this page, [cda@spumanila.edu.ph](mailto:cda@spumanila.edu.ph), or the contact numbers provided below.
