

## IN THESE PANDEMIC TIMES...

As reported in the IOB last week, SPU Manila, SPCEM, and student organizations have taken to on-line activities, such as webinars, Masses, and announcements.

### Sisters of St. Paul of Chartres Education Ministry (SPCEM)

As part of the PRISM (Paulinian Roots, Identity, Spirituality, and Mission) Program of the SPCEM, the ministry, in partnership with St. Paul College of Paranaque, sponsored a First Friday Mass, celebrated by His Excellency, Most Reverend John Brown, D.D., Apostolic Nuncio to the Philippines, on 5 March 2021.

The Mass, which was held in Our Lady of the Annunciation Chapel of St. Paul College of Paranaque, was accessible via Facebook live streaming.

Online Mass offerings received will be used for the SPC Mission Schools.

### SPU Manila

St. Paul University Manila's READINESS EFFORTS for DISASTER MANAGEMENT, together with various campus curricular and extra-curricular organizations, invited students, employees, and alumnae to a PSYCHOLOGICAL FIRST AID WEBINAR.

It was a meaningful discussion with Mr. Prednison Morales, RSW, a focal person for the psychological support program welfare services of the Red Cross Philippines.

This was a two-part webinar dedicated to SPU Manila students, employees, and alumni.

For more information, see the meeting details below:

For Students

05 March 2021, 04:00 PM

## Paulinian EDGE

The Paulinian EDGE (Excellence through Digitized Education) Program of SPU Manila will host a webinar on "Statistics: A Multi- and Interdisciplinary Perspective," at 2:00-5:00 P.M., March 13, 2021. Register early at [www.spumresearchcenter.wixsite.com/paulinianedge365](http://www.spumresearchcenter.wixsite.com/paulinianedge365)

This is part of a series of webinars organized by the Center for Business for Peace Studies, the International Forum on Innovative Collaborative Learning, Center for Research, Innovation, and Development, Center for Stigma-Reduction Research, and the Career Development Academy.

A poster for the "Certificate in Research Methods 2021". It lists four webinars: "Statistics: A Multi- and Interdisciplinary Perspective" (March 13, 2021) by Prof. Filemon Cruz; "Quantitative Research and Basic Statistical Tests" (March 20, 2021) by Dr. Rene Nob; "Statistics in Non-Positivist Research" (March 27, 2021) by Dr. Jerome Cleofas; and "Statistics and Instrumentation" (April 3, 2021) by Dr. Rene Nob. The poster also includes a registration link and a list of benefits such as contact hours and research opportunities.
