

A SEASON TO GIVE THANKS...

*To everything there is a season, and a time for every purpose under heaven...
a time to weep and a time to laugh, a time to mourn and a time to dance...*

In St. Paul University Manila, this is a time to dance and give thanks for the many graces and blessings received by the school and its people.

"Praise the Lord. Give thank to the Lord, for he is good; his love endures forever." (Psalm 106:1)
